

Questions for consult “E Design intake form”

1. What rooms are we focusing on, and what is their intended function for the space? Please list each room and their intended purpose.
2. What is currently working or not working in the space in question?
3. What are the main priorities in each room? -- if it comes down to budget, what can't you live without and what are you willing to compromise on?
4. Overall budget for the project? What is your overall budget for the project including our service fees, possible labour and furniture.
5. Expected timeline? What is your timeline for E- design projects and what is your timeline for the project completion.
6. Before photos- please include photos of the room(s). A shared drive file is an easy way to send us your pictures.
7. Dimensions of the rooms in questions, if you don't have a floor plan a hand drawn replica of the space is perfect. Please include sizes of windows, walls and any structural details that may affect your floor plan.
8. Inspiration photos or things you are drawn to for the spaces

9. Likes and dislikes (ex. Certain colours you like/dislike, or allergies to certain fabrics like wool or feathers etc)

10. Are there any key considerations we should be mindful of when creating your space?
Ex. pet friendly, kid friendly
